Academic Year 2022-2023

ANITS INNOVATION COUNCIL IN ASSOCIATION WITH DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

DATE: 11/10/2022

Ideathon 22 was a hackathon organized by the Department of Computer Science and Engineering (CSE) in association with ANITS IIC. The objective of Ideathon 22 was to provide a platform for students to showcase their innovative ideas and develop prototype models, as well as to encourage students to use their technical knowledge and creativity to solve real-world problems.

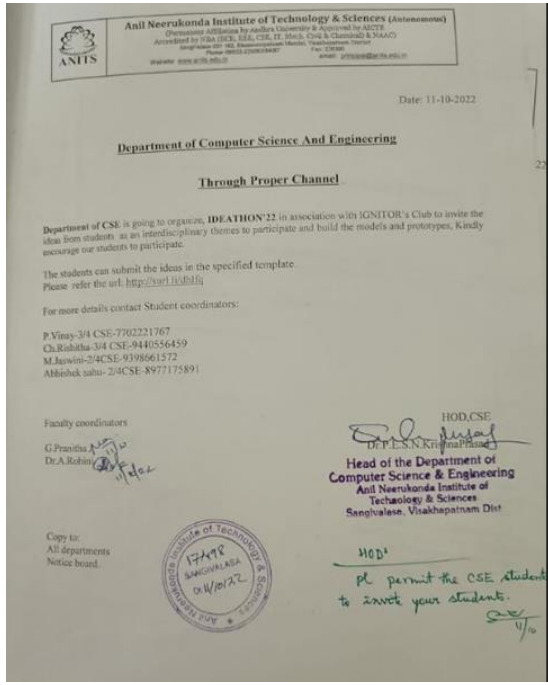

1. Broucher Launched for Ideathon '22

2. Broucher

The event comprised four stages. The first stage, registration, took place on 12th October 2022. The second stage, idea submission, took place from 14th October 2022 to 16th October 2022. 33 Participants could submit their innovative ideas during this stage. In the third stage, prototype model submission, participants were required to develop a prototype model based on their ideas and submit it by 12th November 2022.

However, due to some changes in the academic schedule. the final round had to be rescheduled and took place on 4th February 2023, where the shortlisted participants presented their prototypes to a panel of judges.

Phase – I was evaluated by judges, and selected the Top 6 creative concepts for Phase – II.

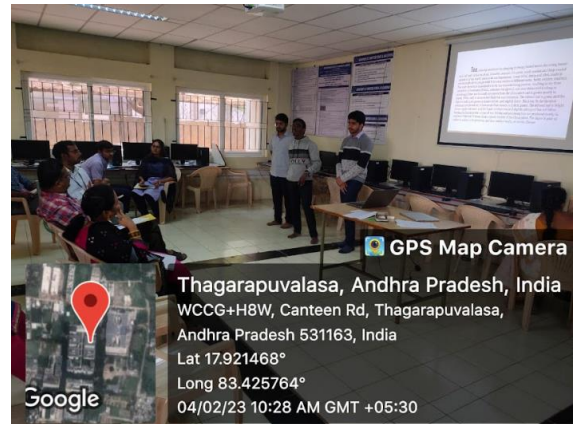

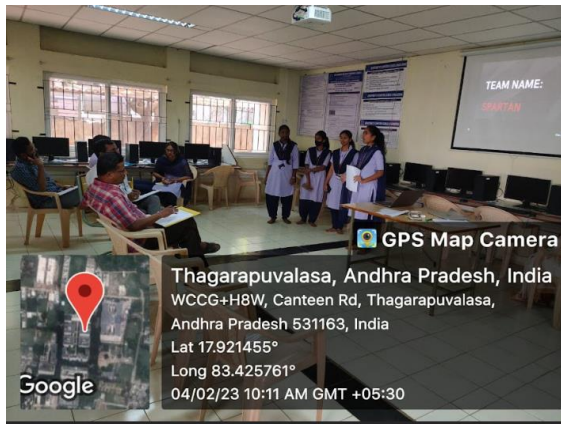

3. Sanctioned Letter for Conducting IDEATHON'22

4. Selected Projects for Phase II

The winners of the event were awarded cash prizes. The first prize was Rs. 10,100, the second prize was Rs. 6,000, and the third prize was Rs. 4,000.

The hackathon was coordinated by Dr. A. Rohini and Mrs. G. Pranitha, faculty members of the CSE department. The student coordinators of the event were Ch. Rishitha and P. Vinay, both of whom were in their third year of CSE. The event promised to be an exciting platform for students to showcase their talent and creativity, and to compete for exciting prizes.
