Time: 3.00PM-4.00PM

Number of Participants: 23

Department of Information Technology organized a Seminar on “Research Methodology-Basic Concepts” on 20th August 2022 from 3:00 PM-4:00 PM in Online Mode. The resource person is Professor Dr. Venkateswara Rao Gurrula in Dept. Of IT, GITAM University, Visakhapatnam. The seminar was attended by 23 Faculty members of the Information Technology Department. The Speaker was heartily welcomed by D.Chandrika, Assistant Professor of the Information Technology Department. The Speaker started his lecture with a well-known quote, “Sky is the Limit,” for any Research. He initiated what Research is, followed by the purpose of doing Research and its role. How many types of Research are available, i.e., Applied Research and Basic Research, Quantitative Research, Qualitative Research, Conceptual Research, and Empirical Research? After making familiar with the types of Research. Sir enlightened with the well know “Ten Step formula for working on the Research Phases” followed by how to formulate the Research Problem then how to select a Research Problem in this sir mainly focused what are the significant problems generally a researcher faces like lack of understanding the sources of problems, lack of planning, etc., Finally, sir has made us aware of Publications like which journals we need to prefer, etc., followed by thesis writing and, most importantly, the Research Ethics and Plagiarism. Sir ended his speech with his favorite quote, “There is no substitute for hard work. There is no shortcut to success”. After sir talked, The Head of the Department, Prof. P.Padmaja thanked sir for his presence and his lecture and spending time to share his knowledge with young budding Researchers. The vote of thanks was given D.Chandrika, Assistant Professor of Information Technology Department by mentioning the keynote points of all the Resource Person.
