OBJECTIVE OF THE SESSION:

The objective is to provide students on opportunity to understand the competencies needed for them to succeed in interviews at universities, future internships, and jobs, so they may become aware of what is expected of them in professional environments.

DETAILS OF THE EVENT:

During the lecture on "**Interview Skills: Skill Enhancement Approach**," the students learned about the fundamental interview skills that are necessary to secure a decent job. In order to succeed in a job interview, the speaker provided the students with valuable insights. Additionally covered in the seminar were dress codes and attire, as well as the difference between formal, semi-formal, and informal wear. There was also an explanation of the significance of clothing code and dress code in a work place. Developing self-confidence was encouraged for the participants. In order to leave a positive impression on the interviewer, the speaker also thoroughly explained and supported the responses to a variety of queries.
