## DEPARTMENT OF INFORMATION TECHNOLOGY

### SUMMARY REPORT

Intellectual Property Rights was conducted on 16-12-22 by the Department of Information Technology, ANITS (A). The key speaker of IPR program is Mr. Vikas Agarwal, Examiner of Patents and Designs (Group 'A' Gazetted). He started the event with the Introduction of IPR and also he focused mainly on different types of Intellectual Properties, its utilization and commercialization in the present era. Also he mainly created an awareness on how to write a paper for a patent and also how to do the new invention for a patent, application filling and also the fee details of Patent application fee. He also mentioned about the Designs and their representations, Trademarks, copy Rights and also the examination procedures. He also spoken about Patent offices of different branches in India and also the fee application details and how to get a Patent procedures.

### Impact Analysis on IPR

This session implies that young researchers need to know more about IP rules and rights. With the increasing focus on innovation, research and cross border collaborations need to learn about Intellectual property rights (IPR) to safeguard their inventions has increased among the students. Participants able to know that how to own patent rights, how to protect and its scope.
